New Bridge Strategies, LLC is a unique company that was created specifically to take full advantage of business opportunities in the Middle East following the invasion. Its activities will seek to expedite the creation of free and fair markets in the Middle East. The Bush Administration

The opportunities evolving in Iraq today are of such an unprecedented nature that they require the skills and experience to be effective both in Washington, D.C. and on the ground.

At New Bridge the Chairman and Director is the US President's campaign manager.

The Vice Chairman and Director was the US President's father's Deputy Secretary of Defense.

A subsidiary of the US Vice President's former firm has been awarded a contract to build a new airport in Iraq.

A decision allows foreign companies to establish 100 percent ownership in Iraq.
